

BLOOMINGTON NEWSLETTER

INTRODUCTION

October was a month of success, filled with activities under almost all subjects! Our students shined in several interschool competitions such as cricket, chess and creative writing. We celebrated diversity through World Food Day and came together for Mental Health Day.

Our students enjoyed a well-deserved midterm break and had a blast on their planned trips this term. As we approach the final exams of our first term, we remind our students to manage their time wisely and seek help when needed. Plan your studies well and take care of your health.

We look forward to having many more successful months ahead and to have you being a part of this journey with us.
