A TRIP DOWN

Memory Lane

To our dearest students,

The academic year has finally come to an end. We remember the day we first met you & the different conversations we had to get to know you. We remember your tears, your laughs, your little mishaps and the mark you leave wherever you are. It is only fair to say that we can now recognise you by the sound of your laughs and your repetitive "teacher! teacher! teacher!". We want you to know that we truly never forget a student that we taught and we want you to remember us for the good times we had and fun we shared! We wish you the best in your next endeavours and pray that you continue to shine as bright as you always do.

Yours truly,
All your teachers.

A MESSAGE FROM OUR HOS

Dear Parents,

As we approach the end of the academic year, we reflect on the wonderful moments we've shared and the progress our children have made. We are truly grateful for the support and collaboration of our kindergarten community throughout this year.

We are excited to announce our upcoming Annual Concert and Graduation Day program. This special event will celebrate the achievements and growth of our young learners.

We look forward to seeing you all there and sharing this joyous occasion with you.
