## A TRIBUTE

To our dearest students,

The academic year has finally come to an end. We remember the day we first met you & the different conversations we had to get to know you. We remember your tears, your laughs, your little mishaps and the mark you leave wherever you are. It is only fair to say that we can now recognise you by the sound of your laughs and your repetitive "teacher! teacher! teacher!". We want you to know that we truly never forget a student that we taught and we want you to remember us for the good times we had and fun we shared! We wish you the best in your next endeavours and pray that you continue to shine as bright as you always do.

Yours truly,  
All your teachers.

## A MESSAGE FROM OUR HOS

As we reach the end of this academic year, our hearts are full of emotions. What a beautiful 10-month journey it has been! Together, we've laughed, learned, and grown.

Now, it's time for our little birds 🐦—especially our dear KG2 children—to spread their wings and fly into a new and exciting phase of life. We are so proud of each one of them!

A heartfelt thank you to all the parents for your unwavering support and trust. This journey wouldn't have been possible without you.

With love and warm wishes,  
G.Banany Rao  
Head of Kindergarten
