Circular to Parents

Dear Parents, We have begun our Remote Learning on a good note from 1st phase to 3rd phase. We are glad to note that all our children are learning and responding even in an unfamiliar environment. Now in 3rd Phase

THE BLOOMINGTON ACADEMY, has drawn it's action to introduce live stream session through Microsoft & interactive session through CLASS DOJO.

Still I was delighted to see how courteous and polite our children were as they entered and excited in the live session, thanking their teachers and wishing them. That is because you parents are ensuring this and reinforcing the very important quality of respect. On that note, I would like to request parents not to interrupt the classes with queries.

There are some rules that parents must observe as well to enable the lessons to progress unhindered.

- 9:00am to 9:15am will be taken attendance through Microsoft. Attendance is mandatory & children should be in school uniform.
- 9:15 am onwards children will be switched to DOJO.
- Teacher will be back on Microsoft sharp at 11:30 am for the wrap-up session.

- Do not enter into discussions with the teachers when the session is ongoing. This disrupts the learning for all the children in the class. If you have an observation, a query, please contact Head of the section (G.Banany Rao) so that we can help & address that in the future.
- Please follow the time table uploaded in the orison portal for daily activities.
- Submit all the assignments through DOJO daily basis & teacher will get back with feedback in a week time.
- Points will be given in DOJO monthly wise.
- Based on punctuality of attendance, regularity of uniform, submission of assignments & discipline will be considered to reward a child.
