Dear Parent,

The Bloomington academy excited to inform you to join along with our little buddies on 20th April to culinary activity, cooking without fire.

Children must be prepared with basic healthy ingredients, utensils, apron, gloves & chef cap.

On 23rd April we will be conducting animal props day. Props should be made with recycled items in the form of mask, headband, necklace etc

Both the activities would be held on sharp at 9 am through the platform of E-Learning. We request you to ensure that student do not miss the opportunity of being a part of this engaging activity.

Regards,
